### CAREER SUMMARY

Innovative software development professional with proficiency in JavaScript, React & Redux Toolkits, Styled Components, JQuery, HTML, CSS, and Node. Talent includes reviewing code, estimating workloads, and defining requirements. Highly qualified developer offering 1 year of progressive experience. Good at designing, developing, maintaining, and improving a wide range of application software and platforms and good exposure to microservices design patterns.

### EXPERIENCE

#### King Cabana - INTERNSHIP NOVEMBER 2022- Till Date

- Collaborated with team members of the development team and project manager to understand product design solutions.
- Maintained code components for others to understand and able to read the code without needing clarification.
- Worked with backend developer to call APIs from the backend to the frontend and fetch data.
- I implemented and also optimized local storage, JSON server, and other UI components solution.
- I worked on functionalities and debugging code.
- I performed code reviews to ensure that the code is presented in an excellent standard way and able to reuse the code and other pages.
- Connection of GitHub branch to other developed code and solved the merge conflict codebase.
- I learned their styled component method and make use of their styles so that other developers can continue with the same learning.

### SKILLS

**Front-End Development:** (HTML, CSS, JavaScript, Reactjs, Redux Toolkit, Styled Component, Axios, Fetching of APIs, Web Programming, Object-Oriented Programming (OOP), and Functional Programming).

### EDUCATION

#### ☐ Semicolon, Sabo - DIGITAL NATIVE JANUARY 2022 - SEPTEMBER 2022.

- I learned from zero to hero without no idea of software engineering
- To prove that Africa can do better than we are before
- I worked on the front for web applications with the use of reactjs

#### ☐ Olabisi Onabanjo University, Ago-Iwoye *Bachelor of Science and Education* SEPTEMBER 2013 - SEPTEMBER 2017.

#### ☐ University of Reading (Henley Business School) Business Management November 2022.
